

銘木を見上げ花々に酔う

Precious Trees and Beautiful Flowers

日の出町の7割は山林で占められており、悠久の昔から育まれてきた巨樹や古木が実に多い。そしてまちを歩けば軒先に咲き乱れる花々に心奪われる。四季に移ろう花々、今も変わらない銘木の佇まい。日の出の町を歩けば、そんな様々な花樹と出会いがある。

With mountain forests accounting for 70 percent of Hinode's geographical area, the land has nurtured a great many giant trees and old trees. When walking through the town's streets, one is mesmerized by the profusion of flowers blooming under the eaves of houses. The flowers change along with the seasons and precious trees stand where they have for many years. Walking through Hinode Town, visitors encounter all sorts of trees and flowers.

【TOPICS】 PRECIOUS TREES

銘木をめぐる

身近な天然記念物
